

Asthma Center

Michelle M. Cloutier, MD

K23, K24, K25 Mentored Patient Oriented Career Development Award Study Section, National Institutes of Health

Member, Data and Safety Management Board, Childhood Asthma Management Program Continuation Study, National Heart, Lung & Blood Institute

Director, Asthma Center, CCMC

Physician Champion, Asthma Call to Action, Hartford, CT

Member, Planning Committee, American Thoracic Society

Member, Revenue Development Committee, American Thoracic Society

Member, Research Grants Committee, American Lung Association of CT

Member, Asthma Advisory Council, Department of Public Health

Outstanding Teacher Award, Class of 2007

Outstanding Teacher Award, Class of 2008

Cardiology

Harris Leopold, MD

Promoted to Division Chief, Division of Pediatric Cardiology

Completed term as President, Medical Staff

Member, Medical Staff Council

Member, Patient Safety Committee

Member, Bylaws Committee

International Collaboration, Universidad Nacional de Asunción, Facultad de Ciencias Medicas

Grand Rounds, Asuncion, Paraguay during recent medical exchange experience to Paraguay

Felice Heller, MD

Attending, Adult with Congenital Heart Disease Clinic

Monthly lecture series, Adult Cardiology Fellowship program, Hartford Hospital

Special Teaching Award 2004-2005, Hartford Hospital Adult Cardiology Fellows

Grand Rounds, St. Francis Hospital and Medical Center, Now hear this: Pediatric heart sounds and murmurs.

Lecture, Middlesex Family Practice Residents, Clinical Diagnosis and Auscultation

Developing transitional care “passport” document to facilitate transfer of care from pediatric to adult cardiology providers

Medical School Lecture, Hemostasis course

Olga Salazar, MD

Development of cardiac MRI

Program, UConn Max Pediatric Clerkship Seminar, History and Physical Examination of the Cardiovascular System

Instructor, XPALS

International Collaboration, Universidad Nacional de Asunción, Facultad de Ciencias Medicas

Grand Rounds, Asuncion, Paraguay during recent medical exchange mission

Richard Berning, MD

Grand Rounds, CCMC

Grand Rounds, Danbury Hospital

Critical Care

Aaron R. Zucker, MD

Vice President, CCMC Medical Staff Organization
McNeill Teaching Award
Chairman, Medical Staff Council
Member, CCMC Performance Improvement Committee
Member, Policy and Procedure Committee
Member, Patient Safety Committee
Member, Faculty Practice Plan Board of Directors
Member, Faculty Practice Plan Finance Committee
Critical Care Core Lecture Series for Nursing Education

Daniel G. Fisher, MD

Medical Director of Clinical Information Systems
Chairman, Code Blue Committee
McNeill Teaching Award
Transport Program Director and Education Course Coordinator
Director of PALS Courses
Critical Care Core Lecture Series for Nursing Education
Instructor, University of Hartford Respiratory Therapy Training Course
Medical Consultant, State of CT's Department of Children and Families
Regional Faculty, PALS Course of the American Heart Association
Member, Emergency Cardiovascular Care Committee of the AHA Regional Office

Leonard Comeau, MD

Director, Critical Care Nurse Practitioner Program
Co-Chair, Pain Steering Committee
McNeill Teaching Award
Residency Advisory Committee, Department of Pediatrics
Pharmacy and Therapeutics Committee
Policy and Procedure Committee
Resident Orientation Lecture Series
Critical Care Core Lecture Series for Nursing Education
Instructor, University of Hartford Respiratory Therapy Training Course
Member, CCMC Ethics Committee
Physician Leader, CCMC "Comfort Care" Program
Member, Sedation and Analgesia Committee

Christopher L. Carroll, MD

1st place, New England Respiratory Clinical Research Competition and Awards, Boston
McNeill Teaching Award
Director, PICU Resident and Medical Student Education Program
Coordinator, Pediatric Critical Care Journal Club
Medical Student Selective Advisor
Member, Selections and Promotions Committee, Department of Pediatrics
Member, Residency Advisory Committee, Department of Pediatrics
Instructor, PALS Course of the American Heart Association
Resident Mentor, Department of Pediatrics
Resident Orientation Lecture Series
Critical Care Core Lecture Series for Nursing Education

Developmental & Behavioral Pediatrics

Thyde Dumont-Mathieu, MD

Dumont-Mathieu T, Kleinman J, Fein D. Characteristics of toddlers with ASD screened from high risk and low risk settings. International Meeting for Autism Research, Boston, May, 2005.

Dumont-Mathieu T, Kleinman J, Fein D. Characteristics of toddlers with ASD screened from high risk and low risk settings. Pediatric Academic Societies Meeting, Washington, DC, May, 2005.

Dumont-Mathieu T, Wilson L, Dixon P, Kleinman J, Pandey J, Boorstein H, Esser E, Allen S, Barton M, Green J, Marshia G, Fein D. Overview of the modified checklist for autism in toddlers. Paper presentation, National Center of Birth Defects and Developmental Disabilities Conference, Washington, DC, July 2004.

Interviewed for www.docguide.com regarding poster presented at Pediatric Academic Societies Meeting

Mark Greenstein, MD

Spot Teaching Award, July 2004

Co-director, Internal Medicine/Pediatrics Residency Program, UConn School of Medicine

Admissions Committee, UConn School of Medicine

Coordinator, Pediatric Scholars Program, UConn School of Medicine

Member, State Interagency Coordinating Council for Birth to Three

Advisor, Salvation Army Marshall House Shelter Clinics

Member, New England Consortium on Medical Education

Coordinator, Chief Residents Retreat

Member, Confidential Help for Impaired Professional Students (CHIPS), School of Medicine

Stephen King, PhD

Chair, Board of Directors, Samaritans

Grand Rounds, St. Francis Hospital

Lecture, Sexual abuse and its manifestations in adolescents. Lawyers for Children America Conference, Hartford, CT.

Poster Presentation, Life events and depression in an outpatient adolescent population. American Academy of Pediatrics

Ann Milanese, MD

Medical Advisor, Birth to Three

Panel Member, Mental Health Evening Lecture Series, CCMC

PL 1 Orientation Lecture

Neil Schechter, MD

Chair, Special Interest Group on Pain In Childhood, Ambulatory Pediatric Association

Scholar in Residence, Rockefeller Study and Conference Center, Bellagio, Italy

Dozor Visiting Professor, Ben-Gurion University School of Medicine, Beer-Sheva, Israel

Scientific Committee, 7th International Symposium on Pediatric Pain, Vancouver, Canada

Invited Faculty, International Forum on Pediatric Pain, Halifax, NS

Digestive Diseases & Nutrition

Jeffrey Hyams, MD

Cover Story, Hartford Magazine, Top Doctor Award, October 2005

Invited Speaker, Second Annual NEPedGI Conference, Manoir des Sables, Cherry River, Quebec, Canada, October 2004

Grand Rounds, Long Island Jewish Schneider Children's Hospital, New Hyde Park, NY, March 2005

Awards & Honors

Invited Speaker, IBD Symposium, The evolution of pediatric inflammatory bowel disease. Children's

Invited Speaker, Healthcare of Atlanta, March 2005

Invited Speaker, Annual CT Chapter of AAP Nursing Conference, Farmington, CT, May 2005

Francisco Sylvester, MD

Program Creator, Bone Health Center, CCMC

Invited Speaker, XIX Annual Meeting of the Peruvian Gastroenterology Society, November 2004

Pediatric Grand Rounds, Celiac Disease. CCMC and Danbury Hospital, July 2005

Invited Speaker, Bone health in children with Crohn's disease. Tufts-New England Medical Center, Boston, March 2005

Member, NASPGHAN Nutrition Committee

Team Leader, Growth and Skeletal Health in Pediatric Inflammatory Bowel Diseases Task Force,

Crohn's & Colitis Foundation of America

Emergency Medicine

Sharon Smith, MD

McNeill Teaching Award, UConn Department of Pediatrics, January 2005

Acute Care Teacher of the Year, UConn Department of Pediatrics, 2004-2005

Pediatric Grand Rounds, CCMC, Urban children with asthma: linking the ED and primary providers. Hartford, CT, October 2004

Invited Speaker, Update and review of acute asthma management. Charlotte-Hungerford Hospital, Torrington, CT, May 2005

Invited Speaker, Mini-course, Pediatric Academic Societies Annual Meeting, Asthma Coaching Program, Washington, DC, May 2005

James Parker, MD

Pediatric Emergency Medicine Teaching Award, UConn Integrated Residents in Emergency Medicine, 2004-2005
